
	<h2 style="margin: 0;">Forest Pest Alert!</h2> <h3 style="margin: 0;">Eyes on the Forest Program</h3>	
<p>Presented by the Osceola-Lake and Mecosta Conservation Districts, Forestry Assistance Program and the Michigan Agriculture and Environmental Assurance Program</p>		

During this workshop you will learn about the different forest pests currently found in our Osceola, Lake and Mecosta County forests, as well as, other destructive forest pests on the radar. Participants will learn what to look for and where to report what they find. Furthermore, participants will learn how to enroll as Sentinel Tree volunteers, utilize the Midwest Invasive Species Information Network (MISIN) and Eyes on the Forest Program (EOTF), administered by Michigan State University Extension. MAEAP Phase 1 Education Credit, will be available for those who attend.

Location and Date

Tuesday, February 28th, 2017 from 3:30 pm to 5:30pm, at the Reed City Depot

*There is no cost to attend the workshop. Please RSVP by February 24th , by contacting the **Osceola-Lake Conservation District** at **231-465-8008** or email **Rick Lucas**, the Osceola-Lake and Mecosta Conservation District Forester, at rick.lucas@mi.nacdn.net.*
